Newsletter Issue #19  
28th January, 2021

## Message from the Principal/CEO Ms. Valerie Thompson

Dear WSS Parents,

We are very much looking forward to welcoming our Blended students back to school from Thursday 4th February. We hope that things settle soon considering that we are vaccinating now.

Amazing job, WSS Recycling Champions for collecting *thousands* of bottles for recycling. Look what a difference we have made to the Sharjah landfill! Let's keep it up.

## Dates for Your Diary

Date	Details
Thurs 21st Jan to Wed. 3rd Feb. inclusive	<ul style="list-style-type: none"> <li>All students on 100% online RLP for 2 weeks.</li> <li>Cashier &amp; Registration offices open as usual, 7:30am-3:30pm</li> </ul>
From 18/1/21	<ul style="list-style-type: none"> <li>Please note that Term 2 MOE books are now available in the school bookstore, Sundays-Thursdays, 8:00am-3:00pm.</li> </ul>
Thursday 4th Feb.	<ul style="list-style-type: none"> <li>If you have not yet cleared T2 fees, kindly do so urgently. Regretfully, we will have to start <b>Fee Defaulter exclusions from Blended &amp; RLP classes from Thursday 4th February for one week.</b></li> <li>To avoid disruption of learning, if you require a <b>T2 Payment Plan</b>, please <b>clear January fees</b>, then request the Cashier for a <b>Payment Plan form</b> at <a href="mailto:jelin.j_wss@gemsedu.com">jelin.j_wss@gemsedu.com</a> Thank you.</li> </ul>
Tues. 16th to Sat. 20th Feb.	<ul style="list-style-type: none"> <li>School closed for <b>Mid-Term 2 Break</b></li> </ul>
Fri. 26th March to Sat. 10th April	<ul style="list-style-type: none"> <li>T2 Spring Break (2 weeks)</li> </ul>

Happy India Republic Day from little Nancy, Mr. Andrew's adorable baby. She is learning her colours, fruits & vegetables too!

Superheroes  
in  
KG1F2

This week was Superheroes Week in Junior Section. Here are 2 WSS Superheroes, Ms. Shamail & Ms. Raghni, who are Vaccinator Superheroes for Health & Safety at WSS! Join them in their battle against the dangers of COVID by getting your vaccination too!!

**Our Vision; 'Excellence Through Teamwork; Success For All'**

For details of policies & procedures, please refer to our Parent Handbook found at: <https://media.gemseducation.com/media/58401/parent-handbook-3620.pdf>

## Are you aware what your children are doing on internet?

**What is cyber bullying?** Cyber bullying is where a person or a group of people are purposely and persistently being mean to another person using social networking and phone messaging.

### What parents can do to help their child when they are being bullied:

Teach kids to solve problems without using violence and praise them when they do.

Give children positive feedback when they behave well to help their build self-esteem. Help give them the self-confidence to stand up for what they believe in.

Ask your children about their day and listen to them talk about school, social events, their classmates, and any problems they have.

### Kids who are being bullied are most likely to:

- Do poorly in school
- Have low self-esteem
- Be depressed
- Turn to violent behavior to protect themselves.
- Get revenge on the bully

### Facts about Cyber-bullying:

*Nearly 43% of kids are being bullied online every year.*

*70% of students report seeing frequent bullying online.*

*90% of teens who have seen social media bullying say they have ignored it.*

*Only 1 in 10 victims will inform a parent or trusted adult of their abuse.*

*Girls are about twice as likely as boys to be victims and committers of cyber bullying.*

### Cyber bullying can take various forms:

- Messaging hateful or irritating words.
- **Photo editing:** where someone gets a photo and puts a nasty comment about the person or the persons family. Eg. Memes
- **Anonymous messaging:** people sending messages to someone without the victim knowing who this person is.
- **Hate pages:** where someone makes a page about someone else and makes nasty comments about them on that page for everyone to see.
- **Impersonation:** where someone sends horrible messages to another person pretending to be someone else to get that other person in trouble for it
- **Groups:** where groups of people gather together and target a person or group of people over messages etc.
- **Outing:** where people have private conversations that they don't want anyone else to know and then when those two people fall out the private information is revealed to everyone about that person
- **Blackmail:** when someone threatens someone to do something otherwise they will do something horrible to them or about them
- **Exposing:** when someone sends a personal picture to someone and that other person shows it to everybody.
- **Hacking:** when someone finds out the username and password to someone's account and logs into it and writes horrible comments about someone and posts horrible pictures etc.

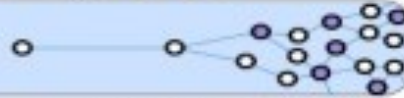

## Are you following internet safety rules?

### 8 tips to stay safe online

1 Be nice to people online.

2 Take care with what you share.

3 Keep personal information private.

4 Check your privacy settings.

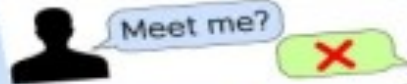

5 Know how to report posts.

6 Keep your passwords safe.

7 Never meet anyone in person you've only met online.

8 If you see anything online that you don't like or you find upsetting, tell someone you trust.

**S** Stay Safe  
Don't give out your personal information to people / places you don't know.

**M** Don't Meet Up  
Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.

**A** Accepting Files  
Accepting emails, files, pictures or texts from people you don't know can cause problems.

**R** Reliable?  
Check information before you believe it. Is the person or website telling the truth?

**T** Tell Someone  
Tell an adult if someone or something makes you feel worried or uncomfortable.

**Digital Resilience**  
WBS  
Curiosity  
Innovation  
Confidence  
GEMS EDUCATION  
We see genius in every child

# WSS Superstar Champions; Our Impressive TIMSS Results, 2019!

Trends in International Mathematics and Science Study

SCHOOL REPORT 2019

GEMS Westminster School  
DUBAI

## TIMSS REPORT-PARENTS

**WSS 2019 TIMSS score in Grade 8 Mathematics and Science are higher**

Secondary Section | Mathematics & Science | 2019

**than Vision for UAE to be in the threshold of the top 15 performing countries worldwide**

### WHAT IS TIMSS?

- The acronym TIMSS means Trends in International Mathematics and Science Study.
- TIMSS is conducted by the International Association for the Evaluation of Educational Achievement (IEA)
- It is one of the National Agenda 2021 parameters, **International Benchmark for Grade 4 & 8 cohort.**

### HOW DID WSS PERFORM IN 2019?

**WSS successfully outperformed both the UAE & Global average for Mathematics and Science for Grade 8 and Grade 4!!**

### Grade 8:

- **74%** of our students are at or above Intermediate level in Mathematics.
- **88%** of our students are at or above Intermediate level in Science.

## WSS Superstar Champions; Our Impressive TIMSS Results, 2019!

GEMS Westminster School  
DUBAI

### Grade 4:

- 56% of our students are at or above Intermediate level in Mathematics.
- 67% our students are at or above Intermediate level in Science.

### WSS Forges Ahead in the World of Maths and Science!

WSS recently received the latest TIMSS report outlining our rating when compared to average score of students in Grades 4 and Grade 8 in Mathematics and Science during tests in 2019.

### Sharing our WSS WOW Stories:

**G8 Math:** the average of the top 15 performing countries for Math is 500. At WSS our G8 students scored 514 for **Maths**. This compares very well to International League Tables as we outperformed the average scores for countries such as Norway, Finland and Italy. **The average score for the UAE in Math was 465.**

**G8 Science:** the average score for the top 15 performing countries for Science is 513. Our G8 students scored well with an average of 535. **The league table would have given us Seventh Position** where we have outperformed the average scores for countries such as the USA, England and Australia.

**G4 Math & Science:** WSS students performed well against the global benchmark. Our students exceeded the score for all UAE students (UAE scores were 481 for Math and 473 for Science). We significantly beat the average for the UAE and in International League tables & **WSS finished above countries such France and New Zealand** in both **Maths and Science**

We are very proud of our students' achievements in 2019, and know they will do even better in the next round. Since then the school has made considerable improvements, and we are looking forward to further successes in 2023 and another fantastic TIMSS report.

### NEXT STEPS FOR WSS

WSS Grade 4 & 8 students will be taking the TIMSS next in 2023. Our Actions to prepare our student for TIMSS success are:

1. A Target of +20 points increase, set in line with the MOE recommendation for both grades in both subjects.
2. Elements of TIMSS 'Cognitive Domain' has been embedded in lessons of current Grade 3 & 7.
3. Analysis of results done based on 'Content Domain' recommendations, SOW has been realigned.
4. Every lesson, HL & exam to have 'TIMSS' style questions to prepare our students & for exam confidence.

THE EMIRATES

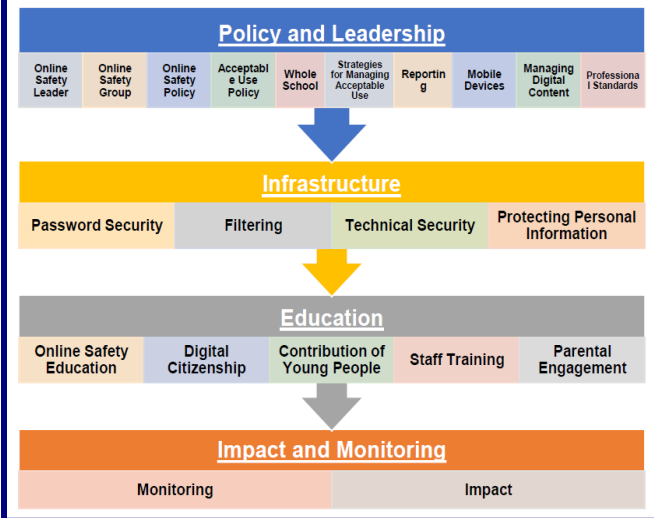

Students of sister school GCS presented about their Environmental Club to Ms. Valerie on 24/1/21. Ms. Valerie was impressed by their enthusiasm, commitment to the environment & practical strategies. A collaboration between GCS & WSS Environmental Club students is being discussed.

# Whole School News

The framework covers a wide range of aspects of online safety strategy and these are:

SPEA are implementing an E-Safety framework & inspection system to support Sharjah schools to raise standards of online safety. On 26/1/21 the Principal & Mr. Pratik attended an online SPEA session introducing the new E-Safety Framework, based around 4 Pillars as detailed on the left. A working group has been set up at WSS to review E-Safety in line with the new Framework. Check out some e-safety tips in this week's NL#19 on p2-3.

More of our committed & safety-conscious Support Staff who have vaccinated. Well done!

New Authority rules regarding enrollment age/cut off dates for new students. Please feel free to discuss with the Registrar, if you have any queries about new admissions into WSS from September 2021.

Class	Minimum Age	From	To	Age
Pre-Kg / FS1	3	1/9/2017	31/8/2018	3 Years
KG1 / FS2	4	1/9/2016	31/8/2017	4 Years
KG2 / Year 1	5	1/9/2015	31/8/2016	5 Years
Grade 1 / Year 2	6	1/9/2014	31/8/2015	6 – 8 Years

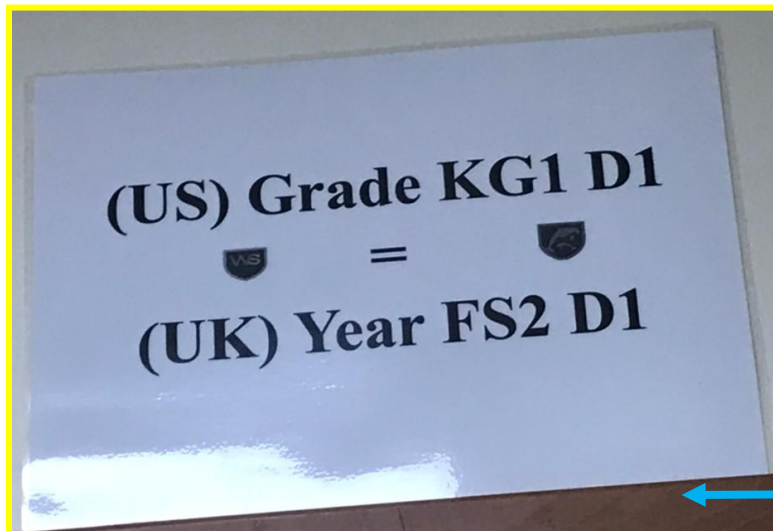

## Whole School News; Recycling Superheroes!

Here are Abdulaziz (G5BS1) and Laren (G3D1) who have collected water plastic bottles for recycling. We love their commitment to saving their environment!

We will be keeping 3 Recycle bins permanently at school, so please encourage your children to keep collecting Plastic Water Bottles for *Simply Bottles* & drop them into our recycling bins when they next come to school (or into a recycling center).

Naya Mohamed (G4D2)- with her Term 1 Achievement Certificate .

As we mentioned in a previous NL, from September we are renaming our American 'Grade' naming system to the UK 'Years' system. To prepare & inform our students & parents, we have added additional classroom signs above each classroom door, as left.

**Math Day Activity**

4/11

- ARAD**  
good for calculating  
helps us to get money  
THE eNd
- Ahmad Omar**  
Maths is important in life because space is useful in science we use math and without science we don't have maths
- Amal Noor**  
The importance of Maths because if you want measure a thing you will then add and subtract etc. And it will help in trade and will help you everyday.
- Adham**  
Math is important for our daily life for trading, selling, measuring, salaries of workers.
- Mathematics**  
Math is very important to us. It is important for shopping, trading, measuring
- M. Ahmed taufique Ahmed ansari**  
Maths is important in our daily life in like we go to the super market ND want to buy something so in that we can calculate & measuring, know the kg of the product
- Khadija aaref abdallahman fun with math!**  
Math is important because if there is no math no time
- Alisha Asad**  
Math is important in our daily life because it helps us in many ways like to calculate prices, measure liquid while cooking or baking and many more.
- Muhammad Ahmad Khalil**  
the importance of math in daily life helps us in trade, measuring ingredients in food, its used in medicine also. used in factories and architecture.
- Fares**  
It helps to count too much money Helps in calculation and trading  
THE END
- Maryam Imran**  
Math is important in our daily life because we do all the things to do math for example we need to know the size of a shop  
IF NO MATH NO LIFE.  
MATH IS A PART OF LIFE.
- Nour**  
So we can add, multiply, divide and subtract number every thing in our life and let our brain works.
- Maryam Yusuf**  
Math is important for buying and shopping things. Math is important for our mind and to Measuring and finding the answer of the Q or anything. It is very important to figure things  
NO MATH NO LIFE  
I WONDER IF I AM THE ONE WHO KNOWS THE MATH I WILL HAVE IN 1 SEC LOTS OF MONEY.
- Fahad ahmed**  
1 Dealing with money .  
2 dividing things.  
3 see time.  
4 trading.  
5 adding things.
- Anju Kumar**  
Influence of math in our daily life.

## The fox and the golden Apple

Once upon a time, there lived the fox name Zack. He was hungry and decided to search for foods. After a while, He saw a one golden apple lying on the ground. This might be crunchy and tasty. So he picked up the golden apple but it started to grow and grow then Zack jumped over the apple. The apple now started to fly all over the world but he approached to the pacific ocean he was exhausted and started digging down in the apple to take shelter. This is going to be sick said Zack. After 2 days, The apple was shaking as it was an earthquake. Ahhh what is going on said Zack. I feel like I am going to crush on the ground but it was not to be. There was the needle which cut through the center point of the golden apple and it is hanging the golden apple. What is the thing said I should better check it out said Zack. When he came out of the golden apple he was at the top of empire state building. I am feeling Dizzy I don't like heights I need to get back to golden apple phew said Zack. News times: There is a giant golden apple and the fox in it at the top of empire state building. So Zack pushed hard to get to the ground. I can't do it let's try one more time hiyah!! It worked yay!!!! said Zack. I need to hold tight! Ka boom! You can come out now your safe said the man. Okay said Zack. Woah said Zack when he came out. So Zack Got more plenty of food and water to survive. The end

## Swapping story of stroke and the fox then swap with lion and the mouse:

Once a lion invited a mouse to a dinner. He prepared a tasty soup and served it in tow flat plates. "Let us begin," said the lions and he soon finished drinking the soup. The mouse could not sip the soup but simply sniffed its smell only. He said to himself, "I must teach a lesson to this lion very shortly."

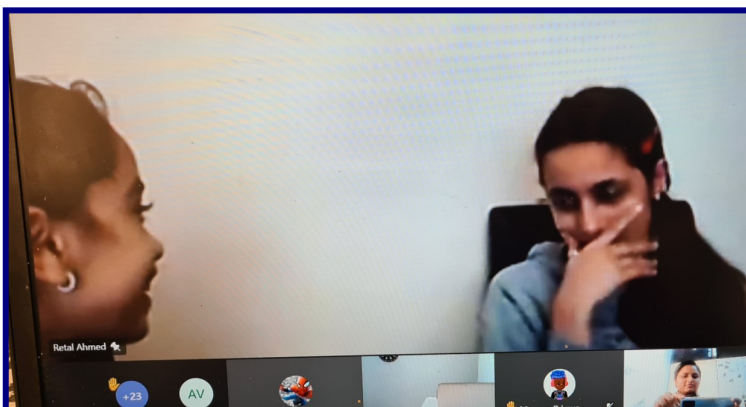

Another day, the mouse invited the lion to a dinner. He prepared a delicious soup and served it in a jug with a narrow neck. The lion tried to taste it but could not do so. Because of its narrow neck, the lion failed to taste the soup. But the mouse sipped it with ease. The lion realised that he was paid for his mischief.

# Secondary Section News; Sustain 'N Exceed Magazine!

**Environmental disaster: What can we do to help?**  
الاستدامة والتفوق

**SUSTAIN 'N EXCEED**

**Global WARMING**  
Global warming can be stopped if everyone started to work together as one, but how?

**Simply Sustain** GEMS Westminster School Sharjah

This is the Secondary Section's entry into the BEEAH Environmental contest for the BEST ENVIRONMENTAL MAGAZINE. The WSS entry is called 'SUSTAIN 'N EXCEED' & showcases the creative and innovative endeavors of our students in pursuit of a greener, more sustainable and futuristic environment, aligned to the developmental vision of UAE.

Check out our thought-provoking magazine at:

<https://www.flipsnack.com/gemswss/best-environmental-magazine/full-view.html>

Congratulations on a fabulous magazine to the enthusiastic, committed team, including Ms. Laneetha, Ms. Remya & Ms. Deepthi.

## MARINOBOT

**14 LIFE BELOW WATER**

**OUR MISSION**

- 1.Reduce marine pollution
- 2.Protect and restore ecosystem
- 3.Reduce ocean acidification

**Problem we face:**  
Garbage in the ocean comes from trash cans, the streets, and landfills that gets blown into sewers, rivers, or directly into the ocean. It is transported by rivers to the ocean, where it moves with the currents, and is often eaten by birds and fish. Concentrating toxic chemicals in their tissues, and filling their stomachs, it causes them to starve and cause a bigger problem which is global warming.

**Solution:**  
MARINOBOT is a waterproof MARINE ROBOT which helps clean the surface of the water from pollutants and can go 900 feet deep into the water by MOVING from place to place UNDERWATER. The inner portion in the picture shows what happens inside the Robotic machine. As the machine absorbs the trash from its funnel, it crushes and captures into the robotic bag. It functions through solar and the process will be continuous.

**Special Features**

- Camera with a sensor which is programmed to detect litter that are being dumped into the ocean.
- Identifies the type of waste collected is plastic, metal, paper, or glass items, basically disposable and recyclable.
- The machine absorbs the trash from its funnel, it crushes and captures into the robotic bag.
- The detecting system in the control station will be alerted when the bag is full.

# SMART SOLAR SPOON

**3 GOOD HEALTH AND WELL-BEING**

**HOW CAN WE SAVE PEOPLE FROM PANDEMIC AND THE CROWD DURING EXPO 2020?**

**Highlights**

- The Smart Solar Spoon (shortened as SSS), has the ability to detect food's nutrition facts
- whether it is safe to consume for people with allergies or other health issues.
- The SSS is managed by a special app in which the user sets their desired food preferences (based on dietary plan and health management).
- The SSS also includes other features such as battery percentage for the user's convenience.

**Intention/Focus**  
The aim of the SSS is to ensure the food safety of citizens including ones with health concerns, especially to save the peoples life during the time expo2021 when then crowd is too huge.
