

### **'Care to Share'; How are you?**

Welcome back to a new term! WSS is here with positive mental health and wellness support to ease anxiety, fear and concern as students and families prepare to navigate the new school life. Reach out to us through our "Care to Share" initiative and share your concerns. Our Inclusion and counselling team will provide you with actionable strategies, tips, counselling and guidance to move forward to this transition period.

Email your concern to [rema.p\\_wss@gemsedu.com](mailto:rema.p_wss@gemsedu.com)

include your child's name, class and ID.

We will get back to you soon with a meeting time face to face or online.
