Assessment, Exams and Reports

- Students' progress is measured against English National Curriculum & international Benchmarking expectations.
- Student Progress Reports are issued at the end of every Term (subject to clearance of Term fees & SPEA registration).
- Term 3 promotional exams are summative & not shared with parents or students.
- Parents may request a re-evaluation if they have queries relating to their child's performance in an exam. The paper will be reassessed & feedback (WWW & EBI) shared with parents.

Cheating in Assessments/Exams

- WSS has examination Board accreditation & has **zero tolerance for cheating (or the appearance of cheating)** in assessments/exams. Cheating is a serious disciplinary issue because students are practicing for the prestigious international Cambridge & EDEXCEL Examination Board exams, which do not tolerate cheating of any kind.
- **Schools or individual students who cheat/allow cheating attempt to cheat/show the appearance of cheating** would be disbarred from taking international Board examinations. Therefore, we train out students from a young age that any kind of cheating (copying, talking, having hidden notes, asking others for answers, writing on a limb, swapping papers or having a mobile or electronic device etc. during an examination are unacceptable & not tolerated.
- **Any student caught cheating (or with the appearance of cheating) will be disbarred from taking that particular examination & would receive '0' for that paper. The student would lose those marks,** which would impact on their Term Report grade.

Bags

- Our school bag policy since last year is the same as in many schools, that we request parents to **provide a Backpack-style bag**, & to avoid trolley bags for the following reasons:
 - **Trolley bags are a serious trip hazard**, especially on stairs & in crowded corridors. School is too busy & crowded for bigger trolley bags.
 - Trolley bags are especially unsafe during busy times, such as morning entry into school & at the end of the day, when 3,000 students are moving in & out of school at the same time
 - There is limited storage space in classes & on corridor hooks for small bags only – there is no safe place to store larger trolley bags
- Y3-13 students may opt for a **locker** in school to store books & other items to reduce bag weight.
- If your child uses bus transport, please be aware that there is limited space for bags, so please keep the bag as small as possible.
- There would be a **charge for damaged lockers (such as graffiti) & lost/un-returned keys**.

- During suspension, a student is not permitted to attend any classes or to participate in any extra-curricular activities.
- During the days of suspension, all school work & assessments (except external & Term exams) will be marked as zero.
- A student may make up work missed, and materials that he/she missed may be available to him/her, but no grade will be awarded for this work.

Birthdays & Parties (As per our Healthy Lifestyle Policy)

Blooms Taxonomy of Higher Order Thinking Skills

Learning & thinking are so much more than just memorising facts. Blooms identified **6 levels** of higher order thinking, which we aim to reinforce through lesson activities, questioning, tasks & Home-Learning:

Working towards expected level		Working at expected level		Working at greater depth	
➤ 1. Knowledge	➤ 2. Comprehension	➤ 3. Application	➤ 4. Analysis	➤ 5. Evaluation	➤ 6 Creating

Books & Resources

- Learning materials (books, APPs etc.) are included in the school fees & will be given to your child once the Term fees have been paid.
- **WSS provides the required learning materials once per course. If a course runs over 2 years, students need to keep their books & APP pws carefully for use in the second year. Lost books would have to be paid for.**
- WSS has a BYOD policy incorporated into the curriculum, learning activities & Assessment Policy, so every Y3-13 child needs to bring a personal Device to school daily from home.
- Students may have **up to one exercise book per subject per Term**, subject to the old book being full & signed off by the Teacher. Additional exercise books may be purchased from the Bookstore.
- Our textbooks are British curriculum-specific, though some are printed in-house.
- Students need to **cover books (plain paper or sticky-backed plastic is recommended) & label (name, Class, ID, Subject).**
- **Graffiti of any kind is not allowed.**
- Primary-Secondary students are encouraged to have a **locker** to store their books in, to reduce the weight of their daily bag.

Bus Transport (BBT)

Bright Bust Transport (BBT) school buses are available to pick up and drop off students to/from their homes (or as arranged with BBT) on *certain* routes. **Meet the BBT Service Delivery Executive to confirm available routes, cost & timings before booking your seat at WSS.** The route travel time may vary depending on the number of students and or any change in route. Subject to UAE law or any applicable educational regulatory requirements, no refunds will be provided where there is an interruption, discontinuation or suspension of services due to events which are beyond the reasonable control of BBT (for example, school closure or lockdowns, natural calamity). Fee refunds are only applicable in cases where fees for more than one school term have been paid by the parent and services are not required for the succeeding term(s). Exam and study leave periods do not qualify for fee waiver/refunds.

- Bus locations are reviewed at the start of each year.
- If you require a **temporary change of home-time transport arrangement** on any day, please **email your instructions in the morning to the Class Teacher/Form Tutor & contact Reception** for an Early Exit form (see below) **at least one hour before home time.**
- **To avoid misunderstandings, changes to arrangements will not be made over the phone.**

Class Transfers (Class Change)

- Class & teacher allocation are done considering the best interest of all our students to ensure that our **classes are balanced.**

Computers & IT Devices

IT is an important & daily part of our children's lives. The school has safety blocks in place to safeguard our children & promotes IT literacy to support development of student ICT skills & to improve teaching & learning. All Primary-Secondary students are required to bring a personal BYOD **device to school**.

- **Parents please** monitor & control your child's IT access & use at home.
- Please ensure that your child **does not install a VPN** on their device.
- **Primary-Secondary students need to bring a Laptop or other accessible device to school as per Teacher information, plus have access to the internet & printer at home** for accessing learning resources, HL, Reports, Projects, Research, Virtual Meetings, communication, etc.
- The BYOD (Bring Your Own Device) programme is subject to parents signing a contract to promote safe, responsible IT usage.

THE CURRICULUM (English National Curriculum)

Early Years:

The English Early Years (EYFS) Curriculum covers **7 main areas of learning**:

1	Personal, Social & Emotional Learning	5	Literacy
2	Understanding the World	6	Mathematics
3	Communication & Language	7	Expressive Arts & Design
4	Physical Development		

- We facilitate our students on their learning journey in the **7 Areas of Development** through engagement, exploration and by stimulating their creativity.
- We provide a sound foundation of the four skills of language; speaking, listening, writing, and reading, in both English and Arabic (Y1) at their own pace and progress to reach age-appropriate achievement targets.
- We have a well-structured & well-paced reading programme, involving knowledge and understanding of phonics and sight words.
- Number Sense is developed through teaching pre-number concepts and with focus on a hands-on experience.
- Science and awareness of the environment are developed by experiential learning, with educational trips to reinforce these concepts.

Year 1: The main course books for core subjects are chosen from International/UK Publications (with some school workbooks to supplement). Curriculum planning ensures continuity and progression of concepts and skills in each subject throughout the school.

- **Projects, group games, & multimedia are used extensively to enrich the teaching and learning experience in class.**
- School publications are printed to support the practice and reinforcement of topics like **spelling, mental maths, lab. skills**, etc.
- Students will learn cursive **handwriting** through a pattern writing of curves and joints pattern, progressively introduced in every grade.
- Students weak in English may be required to attend the English Language Learner's (ELL) Programme for additional support.

Junior & Primary Sections; Key Stage 1 (Year 1-2) & Key Stage 2 (Y2-Y6)

The learning process in the Junior & Primary Sections is child-centred, experiential, and applications-orientated. Establishing foundation and consolidating learning is stressed in an environment that is caring, practical, related to real life, nurturing and enjoyable.

Secondary Section; Key Stage 3 (Y7-9) & Key Stage 4 (Y10-11)

The KS3 programme consolidates and reinforces the educational foundations established in the Junior & Primary Sections. The learning process focuses on individualised student needs and extending academic expectations. Students are encouraged to take greater responsibility for their learning, working with increasing independence & confidence. Students in Y11 take UK IGCSE examinations.

Key Stage 5 (Y12-13, Sixth Form)

- Sixth Form is an 'A/S' & 'A' Level programme, external UK examination board (such as the Cambridge or EDEXCEL Boards).
- To join our Sixth Form programme, students must achieve 5 IGCSE exam passes (A*-C Grade) including a B Grade in the subjects they wish to study at A/S & 'A' Level.**
- Failing to meet the below criteria will mean the student is unable to be promoted to the following Year Group.**

- Ministerial Resolution No. (199) of year 2019 will be applied starting from academic year 2021-2022:**

quietly & safely. Running about in the Forecourts is dangerous (very hard surface) & not allowed.

4.2. Charge fees in advance

4.2.1 The school may collect the registration fees from the new students or renew the registration of current students in the school for the following academic year within four (4) months prior to its start, for the purpose of reserving a seat for the learner, provided that it will be deducted later from the educational fees for that academic year, provided that this amount does not exceed (5%). Not exceeding (1,000) dirhams of the value of the approved educational fees

4.3 Fees refund:

- 4.3.1. The school is entitled to not refund the enrolment fees or the enrolment renewal fees (reserving a seat) in the event that the learner does not attend it, as specified in Paragraph (4.2.1)
- 4.3.2. If the learner does not attend school during the first week of the academic year, and his parent does not inform the school of this, the school may cancel the seat reservation and reserves the right not to refund the enrolment fees or enrolment renewal fees, and the learner shall lose the seat if there is no vacant seating in the school after that.

Fire & Other Emergency Drills

- Fire & other safety drills are carried out each Term/Year to promote Safeguarding.
- On hearing the fire alarm bell, all staff, visitors & students must leave the building immediately, in a calm, orderly manner, proceeding to the pre-arranged assembly point (visitors to the Sports field).
- Fire escape routes are posted up in all classrooms, corridors & offices.

Floor Plans (WSS)

Friends of WSS Parent Group (FOW)

- The Friends of WSS (FOW) is a voluntary group of parents committed to school improvement & parental engagement, who meet regularly to plan activities to support the school's development plan.
- The aim of FOW is to foster parent-school-community cooperation, home-school communication, inclusion & partnership to support school's vision of '*Excellence Through Teamwork; Success for all*' through the development of **parent-school-community engagement**, to enrich the lives of all our children.
- The FOW role is **not to discuss individual student/parent issues**; these should be directed to the school's Parent Relations Executive (PRE).
- The FOW is a support body, and does not directly interfere in operational matters.
- The FOW works closely with the school to support school improvement targets, share ideas, problem-solve & share expertise.
- Examples of FOW activities may be involvement in LAB membership, presentations to students or other parents, involvement in National Day and International Day, arranging learning-related activities for students, volunteering in class, sharing brilliant ideas etc. The list is endless!
- If you wish to join, please contact the PRE.

Gifts

Although there is no expectation of gifts, there may be times when you would like to show appreciation to your child's teachers. Gifts up to the value of \$100, such as flowers or chocolates etc. are appropriate, but staff are not allowed to accept anything more expensive. Appreciation emails & cards are also very encouraging & motivating for teachers! Thank you.

Glass

For Safety, please **avoid sending any glass items to school with your child**. In case of accident, **broken glass is extremely dangerous**.

Glasses

It is highly recommended for children to wear **plastic lenses in their eye glasses** in case of breakage.

Hair

- Students' long hair (past shoulder length) should be **tied back with school uniform clips & ties** In school. This keeps the hair out of the eyes & helps reduce the risk of Lice infection.
- As per Authority instructions, **boys are not allowed to have long hair** (touching the shoulder or longer), or to wear typically female or extreme western hair styles.

Head Lice

As in all schools, at times there may be cases of head lice, which are extremely infectious. Please note:

- WSS has a **Zero tolerance for Lice**
- The Clinic conducts hair checks.
- In case of lice infection, the school policy is that:
- If the nurse finds lice in a child's hair she will call parents to take their child home, as lice are extremely infectious to the other children.
 1. If the parent does not pick up the call, the Clinic will email the parent.
 2. Bus children may return home by bus if the parent is unable to collect them, but would not be returned to class due to the infectious nature of lice.
 3. The child returns to school when the hair is clear of all lice & nits.
 4. The child will be checked by the Clinic (taken by parent or sent by Form Tutor) first thing in the morning

- to check the hair before being admitted to class, following treatment.
5. Once the nurse has given the 'all clear' the child will be readmitted to class.

Treatment:

- Lice and their eggs (nits) are treated by a special lice shampoo (available in any pharmacy) and by daily combing through the hair with a special narrow-toothed comb.
- It can take repeated treatments & combings to completely clean the hair, so perseverance over several weeks is required.
- It is common for lice to spread through the whole family, so all members of the same family should be treated at the same time.

Holy Quran

- At each Assembly & event, a student will read a passage from the Holy Quran.
- All children & staff must treat the Quran & Quran Recitation with respect.
- There must be no clapping after the Quran recitation.
- WSS holds an annual, inter-school Quran Recitation Competition.

Home-Learning (HL) (*Homework*)

- Teachers assign HL according to the scheme of work and students' needs, & may include a balance of reading, skills practice, revision & projects.
- Most HL is optional (though highly recommended). However, some is assessed as part of the Term's Continuous Assessment Report Grade, so if your child could not complete their compulsory HL, please email the teacher in explaining the reason, so that the teacher can follow-up.
- The following table provides an example of HL activities (subject to change):

Home-School Contract

As per Authority requirements, all parents sign a Home-School Contract on admission & then Annually. The Home-School contract is binding. Failure to comply may lead to the blocking of the re-enrolment facility for the following Academic Year.

House System & Points (Housepoints or Class Dojo)

Our behaviour management system includes rewards for good behaviour & achievement, &

Every year, students are selected, after nomination, elections and interviews, to take on leadership roles to lead their peers & House. Roles include Class Leaders, Student Council Members, Houses Captains and Vice Captains (girls & boys), Head Boy/Head Girl & Deputy Head Girl/Boy). They supervise Break duties, committees, activities and support during school events.

The card will be issued free of cost, but replacement cards will be charged at approx. **AED25**. Failure to wear the ID card is a health & safety risk, therefore a disciplinary issue.

International Mindedness

An important part of our 'hidden curriculum' is to develop character as described in the WSS Learner Profile. We do this through the ME & Wellbeing curriculum, assemblies, shows, Sports Days, events & activities. Intolerance, Bullying & discrimination are illegal & unacceptable at WSS.

Laboratories

- Science is taught best through practical activities, so Lab-use for practical activities is a regular part of the science curriculum in the Secondary Section.
- Health & safety are a priority.
- Older students should bring a Lab. coat for practical sessions.

Learner Profile

These are the 10 core attributes that WSS aims to instill/reinforce in our students as they progress through & graduate from, the WSS learning programme.

Leave

- The Authorities requires that students attend school for a minimum number of school days. **As per SPEA, it is not allowed to be promoted to the next year group if the student is absent for more than 15 consecutive days, or more than 30 days throughout the year.**
- Parents decide whether the ‘urgency/emergency’ requires mid-term leave from school, & school respects parents’ decision, while implementing the Leave policy.
- A **Medical Fitness Certificate** (safe to attend class) should be submitted to the school Clinic in the case of joining back after any serious injury, operation, or infectious disease.
- **Evidence** supporting the validity of the Leave must be provided in order to ‘Approve’ Leave.
- Leave forms would only be processed by school subject to the clearance of all pending fees.
- **Leave would be approved for the following reasons (with valid evidence):**
 1. **Medical Leave of child (evidence – Medical Leave Certificate)**
 2. **Bereavement of a close family member (evidence – Death Certificate)**
 3. **Umrah /Haj (evidence Visa or flight tickets)**
 4. **Authority appointment (passport, visa etc) (evidence - Appointment letter/card)**
- **Approved Leave means that Term Report grades would be based on Continuous Assessment in the case of missed Term exams**
- **Parents may choose to proceed with ‘Rejected’ leave, however Rejected leave would be deducted from the child’s annual allocation of 30 leave days, & Term Report grades would exclude the exam marks (maximum grade possible would be a PASS) in the case of missed Term exams.**

For 1-8 Working Days’ Leave

- **Parents apply online through their Parent Portal for all leave of 1-8 working days.**
- **Approved Leave applications with valid evidence will be approved by school on the system & will not be counted towards the ‘Absence Record’ of 30 annual days.**

Leave of more than 8 Working Days

- Extended leave during Term-time is not recommended. However, in emergency cases we understand that parents may need to take their children out of school.
- Extended Leave would be approved with the same conditions as the 4 reasons listed above.
- In addition to the usual parent portal online application, parents please submit a Leave application form to the PRE for Principal’s approval.

Extended Leave Without Informing School

- Students who take uninformed extended Leave (more than one month) risk losing their seat through being ‘Struck Off’ the school & SPEA system (S/O).
- It is very critical that school is informed about all leave.

Reason for leave:				

Dear WSS Principal,

Due to an emergency, we request Term-time leave for our child/children as above, as a special case. We understand that:

- As per the Authority rule, Leave of more than 15 consecutive days, or a total of 30 days during any one academic year, may lead to my child failing to be promoted to the next year group.
- Leave during Term time is only approved in the following circumstances (with evidence):
 - Medical Leave of child (evidence – Medical Leave Certificate)
 - Bereavement of a close family member (evidence – Death Certificate)
 - Umrah /Haj (evidence - Visa or flight tickets)
 - Authority appointment (passport, visa etc) (evidence - Appointment letter/card)
- Missed Term exams (except with Leave Approval) would be given '0' marks towards the Term Report, which would therefore be a Pass mark only. For missed exams during approved Leave, then a Continuous Assessment mark will be given on the Term Report. As per SPEA, attendance of T3 Promotional exams is compulsory.
- School will process this Leave form subject to no pending school fees.

Leaving WSS

Completing SPEA processes when a child changes school takes time. Parents who wish to take their children out of WSS need to:

- 1) Clear all outstanding fees
- 2) Apply online for a TC through your Parnet Portal.
- 3) Pay for TC fees (outside Sharjah)
- 4) **Online application for a TC should be done by the first week of June for end-of-year leavers due to Staff summer leave. Late applications will delay completion of TC until after the summer Break.**
- 5) SPEA attests the TC, as arranged by GRE, which is emailed to the parent.

Library

Our 2 school Libraries are managed by full-time librarians, providing a selection of reading material (in English, Arabic & French) & library competitions. Borrowing Library & Reading books is a part of our compulsory curriculum.

- All children visit the library with their teacher once a week to borrow new books or read together.
- A library period is part of every student's Arabic & English curriculum.
- A **replacement charge will be levied for any lost (not returned) or damaged books.**
- A student **need their school ID card** to borrow books.

Lockers

- Primary-Secondary students can book a school locker for the academic year.
- Books, spare stationary & learning materials for school may be stored in the locker. **School is not responsible for lost items.**
- Students are responsible for providing a padlock & keeping the locker clean & tidy.
- Decoration/graffiti is not permitted.
- **Damage to the locker & loss/damage of locker key will be charged.**

Lost & Found Property

- Lost & Found items (uniform, stationary, books, etc.) are stored in the **'Lost and Found' cupboard in East Lobby.**
- Valuable items (such as digital devices, watches) are kept with Security at Gate 1.
- Non-collected items are sent to charity at the end of each Term.
- Please **name all your child's belongings** (a marker pen on the label works well), so that lost items can be returned to your child if found.

Marking

WSS has a Marking Policy. Marking is to guide students to their next level to personalise learning.

- Marking will not be done every lesson - **not every piece of work is marked.**
- Not all spelling mistakes will be corrected. This would depend on the subject & Learning Objective.
- Some work will be **self or peer assessed** to encourage more reflection on the learning & success criteria.
- **Students are expected to reflect on & respond to the teacher's marking comments, as these outline & guide 'next steps' in learning.**
- If your child's work is not being marked regularly, please contact the Section SLT for follow-up.

Medical Facilities (see also Health & Safety)

- The school's 2 Clinics are located on the ground floor opposite the Bookstore.
- We have four nurses and two full time doctors.
- If you have any concern about the health of your child, please feel free to contact the medical team.
- **The Doctors' decisions related to all health & MOH matters are final.**

Accidents and Emergencies

- When your child requires emergency treatment, every effort will be made to contact you. To assist with this, please **keep school updated with your contact details.**
- In the case of a serious emergency, the school's doctor will call an ambulance & the child will be transferred to the government hospital (usually Al Qassimi Hospital).

Immunization & Vaccination Programmes

- For children's & community health, parents need to make every effort to keep their child's vaccinations up-to-date.
- The Ministry of Health requires that you submit your child's vaccination record to the Clinic. This will be checked against the U.A.E. immunization schedule and you will be advised of any due vaccinations.
- Students must be vaccinated at school as per Ministry of Health policy. **Please sign & return any consent forms to the medical team within one week. Failure to do so is a disciplinary issue.**

Medical Checkup:

- The Ministry of Health requires school to give students full medical examinations & eye tests at certain times, & for new students on joining. These are carried out by the school doctor and are basic, non-invasive procedures. We also do regular hair check-ups.
- You may receive a 'Referral letter' if your child is diagnosed with any medical problem.
- We recommend that you continue regular medical & eye checks with your family medical practitioner as well.

Medical Approval Forms:

- At the start of each academic year, you will be required to complete a medical form. Please return promptly with all required medical information.
- It is very important that the school is made aware of any medical condition or special needs that your child has and/or any medication they are on. This will help us in case of emergency treatment. The forms are as follows:
 1. School Health **General Parent Medical Consent** form. **As per MOH rules, school is not allowed to provide medical services without it**, except in emergency situations. All students must submit this on admission & at the start of each academic year (*see Form 1 below*).
 2. **Parent Consent for Medical Condition Management & Medicine Administration**. This is to be filled for students with any **medical condition & those who require medicine to be administered in school** (*see Form 2 below*).

- You must also inform the Clinic if any medicine may be needed at the school for an existing condition such as an inhaler for asthma, insulin for diabetes, or an EpiPen for allergies.
- After the treatment period, any remaining Medicine must be collected by parent/Guardian from the Clinic. If uncollected after one week it would be discarded through Wekaya.

- Feel free to directly email, or meet the PRE, who will help set up an appointment.
- Staff will come to meet you in the Reception Meeting room to meet you when you have an appointment, so please do not go inside school.

Music

- Music is part of our curriculum, with assessment marks awarded.
- However, if you do not wish your child to participate due to a religious reason, please email the Section SLT.
- Your child will sit at the back of the class & does not have to participate. In this case it would not be possible to grade for music.
- Please note that singing the UAE National Anthem & school song is a regular part of school assemblies & events & all students are expected to stand smartly & sing these respectfully.

Newsletters

- School Newsletters are published regularly by the Principal (usually weekly, with an emailed link, as well as being posted on the school website).
- The aim of Newsletters is to inform key messages, dates, deadlines & changes to policy, celebrate success & to share students' learning with parents.
- Please read the Newsletter weekly to ensure that you keep **up-to-date with important dates & information.**
- **Feel free to share pictures & information about your child's achievements and activities outside school with the Principal for publishing in the Newsletter.**

Parent Engagement

Parents are an integral part of the WSS team, with rights & responsibilities as outlined in our Home-School Contract & Code of Conduct. We believe that **mutual respect & cooperative communication** are key to a successful, productive & professional partnership. Please note:

- We have an 'open door' policy, which means that if we are free, we will meet you without an appointment. However, we **recommend that you email us in advance to make an appointment** to ensure availability.
- Parents are encouraged to attend WSS functions/events & join our Positive Parent Partners team. Please always report to Reception for assistance on arrival.
- All visitors (other than at regular drop off & pick up times) need to **sign in at the main gate.** Any visitor entering inside the school must also **take a 'Visitor Pass' from Security.**
- **It is strictly forbidden for any parent to speak directly to, or touch in any way, other peoples' children, except with parent permission.**
- **Verbal or physical abuse of any WSS community member is unacceptable.**

Parent ID

- For the safety of our children, access into school for visitors is restricted. Anyone entering school premises

without their Parent ID must sign in with Security at Gate 1, & submit a picture ID (such as Emirates ID Card) to Reception to take a Visitor Pass.

- WSS Parents are issued with a **WSS Parent ID Pass on admission, so please bring this with you if you want to enter the WSS premises at any time** (Drop-off/Pick-up times, Assembly, Coffee Mornings, Sports Day, PTM etc.). Since our children's safety is a critical issue, please note that anyone failing to supply a picture ID will not be allowed inside the school.

Parent-Teacher Communication

Regular home-school communication (emails, PULSE & PTM) is expected. We believe that parents and teachers are **partners** in the educational process and we support **parental engagement** through the following:

- Feedback at Parent-Teacher Meetings (PTM)
- Attending school open days, events, activities & Coffee Mornings
- Meeting teachers, PRE, MLT/SLT, Head of Inclusion for discussion whenever necessary

- Teachers must respond to your **emails within 48 working hours**. If they do not, please inform SLT for follow-up.
- Teachers & management will **respond to emails during working hours (7:15am-2:30pm) on working days (Monday-Thursday)**.

Parent-Teacher Meetings (PTM)

PTM are held at least Termly and notification is given by email/SMS/Newsletter, though you are welcome to request additional home-school meetings with Teachers/SLT as required..

- **5-7 minutes are allocated per parent** (after that, the teacher may ask if you wish to have another appointment at a later date to complete the issue. If other parents are waiting, the teacher must stop the meeting with you & offer you a future appointment).
- **If you are unable to attend a scheduled PTM, feel free to make an alternative appointment with your child's teachers individually (F2F or on TEAMS)**. Due to Teachers' different timetables, it would **not be possible to arrange group meetings**. To schedule meetings, please reach out to the individual Teachers directly, or the PRE.
- **Parents can request privacy** as required.
- **Our Code of Conduct is based on respect**; all WSS stakeholders have the responsibility & right to respectful communication. **Shouting or rudeness is unacceptable to/from any parent/Staff**.
- **Confidentiality**; WSS staff are not allowed to discuss school issues, colleagues or other students/parents with anyone else. They are **only able to discuss your own child with you**. They are **not allowed to give out other parents', their own or other staff personal contact numbers** (only work email ID).

Phones

The use of mobile phones (or any other device with a SIM) by students in school is against MOE rules, causes distraction & disruption, may be used for inappropriate photography & may be lost/stolen. Therefore, please note:

- **Unless otherwise agreed by WSS management, it is not permitted for students to bring a mobile phone to school (or any other device that has a SIM or is used to take photos)**.
- **WSS accepts no responsibility whatsoever for the loss/theft/damage to any electronic device/phone brought into school**.

- Random Bag checks may be done.
- **Phones/Devices with SIM taken into an examination room will be considered as ‘cheating’ & the student subject to disciplinary action.**
- In case of extreme emergency requiring your child to carry a phone/Device with SIM to school, please **email the Section SLT/PRE, complete the form & ask your child to leave it with Security at Gate 1** for safe keeping for the day.

- **Be student's own work** (not parents')
- Be written in the students' own words (not 'cut & paste text' copied directly from the internet)

- Not cost a lot of money or involve many bought resources, unless you wish.
- Be portable (avoid huge, complicated projects unless for Innovation/Science Fairs). One sheet of A4 or A3 paper is fine.

Reading

- This is one of the most important skills your child learns in school! Junior & Primary students follow a reading programme.
- We welcome parent volunteers to spend time in school as a 'Reading Volunteer' with young children. If interested, please meet the PRE or relevant Section SLT.

Supporting Reading at Home, Junior-Primary Students

The more practice that your child does at home, the better your child will do in school! Praise often, read daily - read to your child, or let your child read to you regularly & enjoy!

1. Revise the **phonics** (letter sounds a-z) until your child is confident with them.
2. **Listen** to your child read daily, even if it is only for a few minutes.
3. **Discuss** what has been read (ask questions, talk about the pictures & new vocabulary, check that your child understands, ask your child to say what they like & why, ask your child to predict what happens next & why).

Phonics

- When children start at WSS we teach them the sounds of letters. As they learn other reading skills they do not need to rely on phonics, but until they reach this stage using phonics is an invaluable reading aid.
- There are two skills which must be learned: **1) learning to break words down and 2) learning to blend the sounds together to form words.** Even very small children are able to learn these skills.

Breaking up words

You can play games to teach this. For example, say: "Point to the c a t". Don't say the names of the letters, but say their sounds. It should sound like "Kuh Ah Tuh" rather than "See Ay Tee".

Blending Sounds

The aim is to be able to say "Kuh Ah Tuh", and hear "cat". When the child can effortlessly look at the symbols and 'hear' the word, he/she's a proficient reader. The only way to make this effortless is through regular practice.

The Phonetic Alphabet

Please use the following letter sounds when helping your child to learn the alphabet:

<i>a</i> as in ant	<i>b</i> as in but	<i>c</i> as in cut	<i>d</i> as in dug	<i>e</i> as in egg
<i>f</i> as in far	<i>g</i> as in gate	<i>h</i> as in hut	<i>i</i> as in ink	<i>j</i> as in jug
<i>k</i> as in cut	<i>l</i> as in lump	<i>m</i> as in mum	<i>n</i> as in nut	<i>o</i> as in odd
<i>p</i> as in pink	<i>q</i> as in quick	<i>r</i> as in run	<i>s</i> as in sun	<i>t</i> as in ten
<i>u</i> as in under	<i>v</i> as in verb	<i>w</i> as in word	<i>x</i> as in axe	<i>y</i> as in young
<i>z</i> as in buzz				

Registration Time

- Registration time takes place each morning & is an important time, used for extra reading practice, Assembly, mental maths tests, spelling tests, Wellbeing Curriculum, etc.
- Repeated lateness is a disciplinary issue, as it causes lost learning time.

Reports

Students' formal academic reports are published online for parents to access through their Phoenix Parent Portal, **three times** during the school year, subject to **clearance of that Term's school, bus fees & SPEA system**

Registration. Report print-outs will be charged.

Report Grade Key					
A* = 90 – 100% Outstanding	A = 80 – 89% Very Good	B = 70 – 79% Good	C = 60 – 69% Acceptable	D = 50 – 59% Weak	F = Below 50% Fail

Safeguarding

Child Safeguarding is our #1 priority! Safeguarding, which includes Wellbeing, Health & safety, is the responsibility of all the WSS community. Please note the following:

Banned Dangerous Items

For Health & Safety reasons, please **do not allow your child to bring in any of the following, or similar items.** Bringing such items is dangerous, so is a disciplinary issue.

Sharps	Allergies	Hazardous	Other
Knives, Sharp scissors, Paper cutters	Nuts (due to possible fatal allergies)	Glass items, Flamable items such as matches, candles or lighters, Poisonous chemicals, Perfume, sprays, foam sprays, or any other chemical that could get into the children’s eyes & hurt them.	Tiny items that could be a choking hazard, Animals Caps, poppers, fireworks etc

Clinic & Medical Issues

- **Parents need to sign a ‘Consent to treat’ form in order to receive WSS Clinic treatment.**
- Teachers send sick/injured students to the Clinic, which provides care and treatment and informs parents.
- Always **keep your sick child at home, for their health & as germs spread quickly to other children at school.**
- **Never send children to school if they have a temperature.** Students with a fever (a temperature above 37.5°) or any one flu-like symptom will **not be admitted to class, & will be sent home.**
- **Visitors to school will not be admitted if found to have a fever (a temperature above 37.5°).**
- Your child may bring a small, personal bottle of **hand sanitizer** to school, if you wish. Please teach your child to keep it in the bag & use it responsibly to avoid it getting into eyes.
- **Hospital trips – in case of a medical emergency requiring your child’s urgent hospitalization, the school Clinic will call an ambulance to transport your child to the hospital,** if parents cannot get to school in time. Parents would be informed & the child would be escorted by Clinic staff, according to patient’s condition as determined by the Dr.
- An **ambulance would only be called at the Doctor’s discretion in case of critical medical emergency.**
- The school nurse maintains students’ medical files. Every student has a medical file and a log is kept of all treatment.
- Children returning to school after a serious or contagious accident/illness (including Lice) first need to get the following **‘Fitness to Return to Class’ certificate signed by the Clinic before joining back to class:**

	Student Fitness to Return to Class		Date of Examination:
			Time of Examination:

- Minor medical issues:** 1) Treat in the clinic, 2) Email, 3) child sent back to class, 4) child called back to clinic for further observation, if required.
- Suspected injuries of a non-critical issue;** inform parents that, 1) It is not critical, 2) The issue, 3) Medical Team will continue to observe, 4) Would parent like to collect child now or wait & the child will go home by usual means? 5) Dr. to provide a hospital referral in case of critical/serious cases, or if parent asks for it, 6) If the student is suspected to have a fracture, they will not be sent by bus.
- Critical issues:** 1) emergency first aid to stabilize, 2) call ambulance, 3) call parent.

Communication (Medical Issues)

WSS Medical staff are **contactable by email/school landline during the working week only**, not at weekends. Therefore, if you need to contact the Medical team or teacher about a health-related issue, feel free to email them at any time, however, you would only get a reply on the next working day.

Communicable diseases (including Influenza & COVID-19)

- The communicable diseases commonly seen in schools are Conjunctivitis, Chicken Pox, Measles, Influenza, Hand Foot and Mouth disease, gastroenteritis, seasonal flu, etc.
- It is an Authority requirement for parents to inform the school in writing (email with attached Medical Certificate to Teacher & clinic) of any Communicable Disease infection of your child.
- If a student develops signs and symptoms (fever, rash, vomiting or/and diarrhea etc) of suspected communicable disease, they should **be seen by doctor and rest at home for the duration of the illness**. The time period for each condition varies, so the child will need proper care at home as long as required.
- Upon returning to school **a fitness certificate by attended physician or pediatrician (medical report from the treating physician stating that the student is fit to join school on(date) must be provided to the clinic**.
- If the child **returns to school prior to the completion of the recommended isolation period as recommended by his treating physician, parents will be requested to take their child home**.
- Inform the clinic team at the earliest, so that classroom/bus deep cleaning can be done & the class monitored for symptoms in the case of any communicable disease.
- In case of communicable disease among students, all students of the concerned class will be examined by

doctor, and the measures will be taken by school to control and to minimize the transmission of the infection.

- The Authority's Preventive Medicine Department will be notified about such cases. A parent notification letter regarding the condition will be sent to parents for information.

E-Safety

Students now commonly use electronic equipment, including mobile phones, tablets and computers to access the internet and share content and images via social networking sites. Technology and the internet can be a source of fun, entertainment, communication and education. Unfortunately, however, some people will use those technologies to harm children, for example sending hurtful or abusive texts and emails to groom and entice children into inappropriate relationships, webcam photography or face-to-face meetings. Students may also be distressed or harmed by accessing inappropriate websites that promote unhealthy lifestyles, extremist behaviour and criminal activity. Chatrooms and social networking sites are the more obvious sources of inappropriate and harmful behaviour and students are not allowed to access those sites in school. Many students own or have access to hand-held devices and parents are encouraged to consider measures to control access to keep their children safe when using the internet and social media at home and in the community.

- Please **inform school if you do not wish your child's picture to appear in Social Media**
- Students should be supervised while using the internet, at home and school.
- DfES guidance is available at <http://www.safety.ngfl.gov.uk>
- Students are required to bring a personal BYO device to school for educational purposes with parent plus SLT approval, & after parent & student signs the school's E-Safety Agreement letter. Parents need to be vigilant at home that the child does not put a VPN on the device.
- **Fab. 5 Rule #1; We Do Our Best** • Students will use the Internet for planned educational purposes/activities only.
- **Fab. 5 Rule #2; We Respect Each Other** • Students will not use the Internet, email, mobile phones or any other ICT equipment to be disrespectful or unkind about other people
- **Fab. 5 Rule #4; We are Safe & Sensible** • Students should never enter any personal information about themselves (or others) on the Internet.
- Students are expected to use their common sense and not access or share inappropriate material on the Internet
- If unsure of their online safety students must ask an adult for assistance.
- Teach your child to switch off their device & tell parent/teacher if they inadvertently access anything inappropriate.
- If you have any e-safety concerns please contact your Section SLT or **E-Safety Leader/DSL Ms. Rema rema.p_wss@gemsedu.com**

Online communication between staff and students

- WSS staff must follow strict Safeguarding rules relating to maintaining professional, role-related electronic communication with students.
- WSS staff may use only school email and website addresses for school work and communication, and never personal ones.
- Do please let school management know immediately if you have any concerns relating to staff safeguarding behaviour. Staff found to be in breach of these rules would be subject to serious disciplinary action.

Food & Snack (see also Birthdays & Parties')

- Please send **only healthy food** to school for snack/lunch, Birthdays & other events.
- Junk food with high fat & sugar, & highly processed, are unhealthy & can contribute to diabetes, obesity & hyperactivity in some children, so please avoid sending these to school.
- For birthday treats, end-of-term parties, etc the food brought in by students must be individually packaged with the ingredients and allergen information labelled. Please ensure the pre-packed items never contain nuts.
- If your child regularly brings unhealthy foods (fizzy drinks, chips, chocolates, sweets, cake, biscuits, pastries) to school the teacher will:
 1. Give a verbal warning

2. Email parent
3. Send home an Incident Report
4. Confiscate junk party food

- Healthy food suggestions; sandwiches, pasta, rice, noodles, oat bars, fruit, sugar-free juices, milk, yoghurt, cheese, vegetables etc.

Food Allergy Management (Parent Responsibilities)

If your child has a serious allergy, please:

- Share all relevant information regarding the student's medical condition, by providing written medical documentation, instructions, and medications as directed by the family physician, as well as emergency contact information.
- Provide WSS with current/updated contact information (mobile phone, email, etc.).
- Work with the school medical team to develop a plan that accommodates the child's particular needs at school or provide from the physician with a specified and tailored Individualised Health Plan (IHP). This plan should cover the child's entire school day, including time in classroom, cafeteria, Break times, during after-school programmes, during school-sponsored activities, and while on the school bus.
- Provide properly labelled medications and replace medications after use or before/upon expiration along with the doctor's prescription.
- Educate your child in the self-management of their food allergy including:
 - Recognising safe and unsafe foods.
 - Knowing strategies for avoiding exposure to unsafe foods and various allergens.
 - Identifying and recognizing symptoms of allergic reactions early.
 - Knowing how and when to tell an adult they may be having an allergy-related problem.
 - Knowing how to read food labels (age appropriate).
 - Knowing not to share snacks, lunches, or drinks and to politely explain why he/she is not sharing.
 - Understanding the importance of handwashing and hygiene.
- Providing appropriate food for their children if they have a history of food allergies whenever there is an event at school (such as birthday parties, International Day celebrations, etc.), and ensuring they don't eat the food on offer to prevent a potential allergic reaction.
- Review the IHP with the medical team annually and provide updates & information as requested.

Illness

To concentrate and function effectively at school, your children must be in good health. It is therefore important that a sick **child must rest at home. A fitness certificate must be submitted to the Clinic after complete recovery, before returning to class.** This is to reduce cross-infection of other students.

In case of fever, serious injury or illness, the medical team will:

- **Keep the child in the Clinic, to be collected by the parent.**
- **Student with a fever (above 37.5°), or infectious disease will be sent home.**
- **The student will not be sent back to class or home by Bus, to protect the health of the other children**
- **Treatment decisions are made by the Doctor & are non-negotiable.**

Incident Investigation

From time to time there may be incidents that require investigation, such as an altercation between children, a misunderstanding with staff, or an accident. In such cases, please inform your child's Section SLT or PRE immediately for our investigation & follow-up (**including any details of the incident that you are aware of & your child's name, class & ID**). We will get back to you once the investigation is complete. Please allow **2-3 working days to complete the investigation. A typical investigation includes:**

Interviewing your child, Interviewing witnesses, Taking written statements from concerned students,	Interviewing concerned staff, Taking written statements from concerned staff, Student Counseling,	Watching the CCTV footage, Logging any Safeguarding concern on the GEMS Safeguarding platform GUARD, Meetings/calls with concerned parents
--	--	---

Other Peoples' Children

- **It is strictly forbidden for any parent to speak directly to, or touch, other peoples' children, except with their parent's permission.**
- **In case you have an issue with another WSS student, please bring your concern to the school PRE/Management for their follow-up & support.**
- **Taking Other People's Children Home; if you need someone else to take your child home, it is critical that you inform school in writing in the morning, so that we can inform BBT, Security and the teacher. It is absolutely not allowed to take someone else's child out of school without the parent's written permission.**

Privacy

Privacy is a right for all. If you have any Safeguarding concerns, please report them immediately to the Principal. Privacy expectations include:

- **The confidentiality of information.** Staff will not share the personal information of self or others in the WSS community, & will only discuss about a child with the respective parents & concerned staff. **Parents are also requested to respect the confidentiality of school, staff & others' personal information, both F2F & online.**
- **Physical privacy;** no student, whatever the age, should be required to change clothing in front of others. If a young child requires help changing in school (such as after a toilet accident), this would be done in the privacy of the washroom cubicle by a lady staff, & the utmost care would be taken to maintain modesty & avoid intimate touch. **Parents are requested to encourage their children to have the confidence to say "No, I am not comfortable with that!" & to voice any concern in a sensitive situation.**
- **Photography; it is not allowed by law to take or share pictures of others without their permission. It is not allowed for parents/guests to take pictures around school, or of other people's children, except in usual group situations such as of your child's Assembly show.**

Safeguarding; Expectations of Staff & Parent Behaviour

Staff & Parents are not allowed to do any of the following. If they do so, please immediately report the incident to the Principal (Safeguarding rules apply to all members of the WSS community, including parents. Incidents of abuse of children/staff would be reported by WSS to the authorities):

Entering into/encourage/support or conduct any kind of relationship (physical or non-physical) with a student outside the strict professional limits of their job description. This includes touching inappropriately, suggestive comments, lifts in own transport, personal communication, such as on Social Media websites, phone calls/SMS, private meetings, emails unrelated to school work, giving car lifts, gifts other than as approved by Section SLT as per policy, social activities outside school, visits to home etc.	Any form of physical (corporal) punishment

- Vaccination programmes are conducted in school by the Medical team as per MOH policy.
- Vaccination programmes are essential for the health of all in the UAE community & are a compulsory requirement of the UAE MOH.
- Vaccinations are conducted annually for Y2 (MMR -Dtap -Chicken pox-Polio), and Y12 (Tdap), plus any other vaccinations as per MOH.
- Parents must submit an updated vaccination card to the Clinic in the case of WSS admission, and also one week before any vaccination being given in school.
- Students who are newly admitted should provide the medical file from the previous school.
- A parent consent form & pre-vaccination questionnaire are sent home three weeks before the date of vaccination. The Consent form must be completed, signed & returned to the Clinic within one week. The Clinic will clarify any comment written in the consent form by the parent regarding medicines, allergies and illnesses. Failure to do this is a disciplinary issue.

- If the parent submitted a consent form for vaccination, but the child has already been vaccinated from outside, the parent will be informed that their child will not be given a repeat vaccine.

School Song

GEMS Westminster School, Sharjah Song		
<i>Lyrics written by Ms. Valerie Thompson</i>		
1 st Verse	Chorus	2 nd Verse
Westminster School is the place for me, Where I'm the best that I can be. Learning each day the skills I need, For my future success.	<i>Taking my place in society, A leader wise & fair. My talents flourish day-by-day, With all my courage & strength. (With all my courage & strength).</i>	Westminster School is the place for me, Inspiring my dreams of who I'll be. Together our team from all parts of the world, In harmony, friendship our future unfolds.

Sports Days

There are separate annual student Sports Days for each Section (scheduled in the cooler months). All students are expected to participate/attend/support their House. Parents are invited.

Student Council & Student Leadership

- The development of student leadership skills is an important part of our extra-curricular programme.
- The Student Council has a representative from each class.
- The Head Girl & Head Boy of each Section lead the Student Council along with the Character Leader & Teacher House Leaders. They take the lead in duties, peer support, speeches at school events, organizing events, meeting with Inspectors, etc.
- The Student Council meets regularly to discuss student-related issues & supports SLT with school events (eg. International Day, National Day, Talentastic committees, Y13 Graduation etc).

Teachers

All our teachers are qualified & experienced as per Authority rules, & get approved accordingly. Please note:

- Teachers have different personal strengths to share with their children, so the class teacher will change each year to allow children to benefit from a range of skills & talents.
- Children benefit from balanced classes (age, ability, boy/girl, Special/Regular Arab/non-Arab, etc.), so school assigns students to classes accordingly. It is **not possible for parents to choose their child's teacher** before their child joins.
- While we aim to keep teachers throughout the academic year, as in any school, at times a teacher may face unavoidable/emergency health/personal issues requiring early resignation or extended leave. In this case school would make timely & appropriate arrangements for their replacement so that there is minimal disruption to learning.
- School provides adult supervision/cover work for absent teachers.
- You will be given your child's teachers' email addresses for communication. Teachers are expected to respond **within 48 hours on a working day**.
- If your child's teacher is unable to resolve an issue, you are welcome to contact the Parent Relations Executive (PRE) whose role is to liaise between home & school, or the Section SLT.

Transfer Certificate (TC)

For admission into a UAE & schools in many other countries, parents need to produce an attested TC from the previous school showing either the child's current Year/Grade (if mid-year transfer) or the Year/Grade that the child has been promoted to (if end-of-year).

Students who are leaving WSS must apply online for a Transfer Certificate (TC) to be able to join another school,

to cease being liable for WSS school fees from the last day of attendance, & to withdraw their names from the school & SPEA systems. The TC application process is as follows:

1. Parent must apply for the TC, then pay for the TC online through their Parent Portal or at the cashier.
2. All school, Babysitting & bus fees must be cleared in full.
3. All school resources (such as Library books) must be returned (or paid for).
4. TCs **will take at least two weeks** to prepare (longer if the TC is applied for between end June-September).
5. Once the TC is ready school will email it to the parent.
